SECTION I -- INTRODUCTION

Enclosed is a Request for Proposal (“RFP”) by the New Jersey Turnpike Authority (“the Authority”) for consulting services for a security review/assessment of PeopleSoft Financials and Human Capital Management (“HCM”) Modules (the “Services”). The Authority is a public agency whose mission is dedicated to the safe and efficient movement of people and goods over two of the busiest toll roads in the nation, the New Jersey Turnpike and the Garden State Parkway. As a public agency the Authority is committed to exercising best public agency practices in all aspects of its operation. Thus, the Authority is seeking a consultant to conduct an ERP systems security review/assessment of one of its integrated financial systems, namely PeopleSoft Financials 9.1 and HCM Modules 9.0. The detailed scope of services to be performed shall be set forth in Section III herein. The selection of the successful proposer (the “Consultant”) shall be solely that of the Authority. The resulting contract shall be for one year with the option at the Authority’s sole discretion to extend for one additional one-year period.

The Authority wishes to receive proposals from all interested qualified firms. Such proposals must be responsive to all information sought in this RFP. The Consultant shall have a thorough understanding of PeopleSoft Financials 9.1 and HCM Modules 9.0 as requested in accordance with Scope of Services (Section III). The Authority intends to select one firm to perform the Services. The successful firm will be selected based on an evaluation of several criteria described in Section IV.

The solicitation of Proposals is being conducted pursuant to the statutes and laws of the State of New Jersey, as found in N.J.S.A. 27:23-6.1, and Executive Order No. 37 (Corzine 2006), and the regulations and policies of the Authority with regard to the procurement of professional services. Furthermore, Proposals are being solicited through a fair and open process in accordance with N.J.S.A. 19:44A-20.1, *et seq.* Proposers are also required to comply with the EEO requirements of P.L. 1075, C.127 (N.J.A.C. 17:27).

Upon review of all Proposals, the Authority may request that one or more Proposers appear for an oral presentation focusing on how their proposed project approach and solution will satisfy the requirements of this RFP. The Authority may limit the number of Proposers that can make oral presentations to permit efficient competition among the most highly rated proposals. Should an oral presentation be requested, it will be an opportunity for each short-listed Proposer to introduce its project staff to the Authority, demonstrate its proposed solution, and to present supplementary information regarding its Proposal and credentials as related to the specific needs of the Authority. The Proposer may use handouts, display boards, products and other materials during this oral presentation; provided, however, that the presentation will be restricted to a maximum time period specified by the Authority, including the time allotted for a question and answer period. Information relating to the Proposer’s recent experience on similar assignments, approach to the project and the use of innovative and/or cost effective measures should be included in the oral presentation.

Proposer(s) invited to make an oral presentation may submit a best and final offer (“BAFO”) either during oral presentation or within two (2) business days following the presentation. BAFO can modify any aspect of the bid proposal, provided mandatory/minimum RFP requirements continue to be satisfied and further provided that the revised price proposal is not higher than the original price proposal.

After evaluating proposals of those invited to make an oral presentation, the evaluation committee may enter into negotiations with same. The primary purpose of negotiations is to maximize the Authority’s ability to get the best value, based on the requirements and evaluation criteria set forth in the RFP. Negotiations may involve the identification of significant proposal weaknesses, ambiguities and other deficiencies that could limit a proposer’s award potential, including price. More rounds of negotiations may be held with one proposer than another. Negotiations will be structured to safeguard information and ensure that all bidders in the competitive range are treated fairly.

After evaluation of the BAFO submissions, and any negotiations, the Evaluation Committee will recommend to the Executive Director for award the proposer whose proposal, conforming to the RFP, is most advantageous to the Authority, price and other factors considered. The Executive Director may accept, reject or modify the recommendation of the Evaluation Committee. The Executive Director may negotiate further reductions in price with the recommended proposer.

Negotiations will be conducted only in those circumstances where they are deemed by the Authority to be in the Authority’s best interests and to maximize the Authority’s abilities to get the best value. Therefore, proposers are advised to submit their best price proposals in response to this RFP, because the Authority, may, after evaluation, make a contract award based on the content of these initial submissions, without further negotiations with the proposer.

A DRAFT FORM OF THE CONTRACT IS ATTACHED. (See Section VI Exhibit O). ANY PROPOSED MODIFICATIONS TO THE CONTRACT MUST BE IDENTIFIED AND SUBMITTED WITH YOUR RESPONSE TO THIS RFP; OTHERWISE, BY SUBMISSION OF YOUR RESPONSE, YOU WILL BE DEEMED TO HAVE ACCEPTED THE CONTRACT ATTACHED HEREIN AND WILL BE FORCLOSED FROM NEGOTIATING SAME.

EXHIBIT D

State Contractor Political Contributions Compliance Public Law 2005, Chapter 51 and Executive Order 117

In order to safeguard the integrity of State government procurement by imposing restrictions to insulate the award of State contracts from political contributions that pose the risk of improper influence, purchase of access, or the appearance thereof, Executive Order 134 (McGreevey) was signed on September 22, 2004 and became effective October 15, 2004. EO134 was applicable to all State agencies, the principal departments of the executive branch, any division, board, bureau, office, commission within or created by a principal executive branch department, and any independent State authority, board, commission, instrumentality or agency. EO134 was superseded by P.L. 2005, c. 51, signed into law on March 22, 2005 ("Chapter 51"). In September 2008, Executive Order 117 (Corzine) was signed and became effective November 15, 2008. EO117, which applies only prospectively, extends Chapter 51's political contribution restrictions by expanding the definition of "business entity" to include, for example, more corporate shareholders and sole proprietors. EO117 and Chapter 51 contain restrictions and reporting requirements that will necessitate a thorough review of their provisions by bidders.

Pursuant to the requirements of Chapter 51 and EO117, the terms and conditions set forth in this Exhibit are material terms of any contract entered into by the Authority.

DEFINITIONS

For the purpose of this Exhibit, the following shall be defined as follows:

a) "**Contribution**" – means a contribution reportable by the recipient under the New Jersey Campaign Contributions and Expenditures Reporting Act, P.L. 1973, c. 83, N.J.S.A. 19:44A-1 et seq., and implementing regulations set forth at N.J.A.C. 19:25-7 and N.J.A.C. 19:25-10.1 et seq., made on or after October 15, 2004. As of January 1, 2005, contributions in excess of \$300 are reportable.

b) "**Business Entity**" – means any natural or legal person; business corporation (and any officer, person, or business entity that owns or controls 10% or more of the corporation's stock); professional services corporation (and any of its officers or shareholders); limited liability company (and any members); general partnership (and any partners); limited partnership (and any partners); in the case of a sole proprietorship: the proprietor; a business trust, association or any other legal commercial entity organized under the laws of New Jersey or any other state or foreign jurisdiction, including its principals, officers, or partners. The definition of a business entity also includes (i) all principals who own or control more than 10 percent of the profits or assets of a business entity; (ii) any subsidiaries directly or indirectly controlled by the business entity; (iii) any political organization organized under section 527 of the Internal Revenue Code that is directly or indirectly controlled by the business entity, other than a candidate committee, election fund, or political party committee; and (iv) if a business entity is a natural person, that person's spouse, civil union partner or child, residing in the same household, except for contributions by spouses, civil union partners, or resident children to a candidate for whom the contributor is eligible to vote, or to a political party committee within whose jurisdiction the contributor resides.

PROHIBITION ON CONTRACTS/BREACH OF EXISTING CONTRACT

As set forth in Chapter 51 and EO117, the Authority shall not enter into a contract to procure from any Business Entity services or any material, supplies or equipment, or to acquire, sell or lease any land or building, where the value of the transaction exceeds \$17,500, if that Business Entity has solicited or made any contribution of money, or pledge of contribution, including in-kind contributions, to a candidate committee and/or election fund of any candidate for or holder of the public office of Governor or Lieutenant Governor, or to any State, county or municipal political party committee, or legislative leadership committee during specified time periods.

Further, it shall be a breach of the terms of any contract with the Authority for any Business Entity who has been awarded the contract, during the term of the contract or any extension thereof, to:

- (i) make or solicit a contribution in violation of Chapter 51 or EO117;
- (ii) knowingly conceal or misrepresent a contribution given or received;
- (iii) make or solicit contributions through intermediaries for the purpose of concealing or misrepresenting the source of the contribution;
- (iv) make or solicit any contribution on the condition or with the agreement that it will be contributed to a campaign committee or any candidate of holder of the public office of Governor or Lieutenant Governor, or to any State, county or municipal party committee, or legislative leadership committee;
- (v) engage or employ a lobbyist or consultant with the intent or understanding that such lobbyist or consultant would make or solicit any contribution, which if made or solicited by the Business Entity itself, would subject that entity to the restrictions of Chapter 51 or EO117;
- (vi) fund contributions made by third parties, including consultants, attorneys, family members, and employees;
- (vii) engage in any exchange of contributions to circumvent the intent of Chapter 51 or EO117; or
- (viii) directly or indirectly through or by any other person or means, do any act which would subject that entity to the restrictions of Chapter 51 or EO117.

CERTIFICATION AND DISCLOSURE REQUIREMENTS

Prior to the award of any contract or agreement, the Authority shall notify any Business Entity to which it intends to award a contract of the need to submit to the Authority a completed Certification and Disclosure of Political Contributions form, as issued by the State Treasurer. **The intended awardee will receive the applicable form from the Authority's Purchasing Department to be completed and returned to the Authority for submission to the State Treasurer.**

In completing this form, the Business Entity must certify that no contributions prohibited by Chapter 51 or EO117 have been made by the Business Entity and must report all contributions the Business Entity made during the preceding four years to any political organization organized under 26 U.S.C. § 527 of the Internal Revenue Code that also meets the definition of a "continuing political committee" within the meaning of N.J.S.A. 19:44A-3(n) and N.J.A.C. 19:25-1.7. Failure to submit the required forms will preclude award of the contract at issue, as well as future contract opportunities.

Upon approval by the State Treasurer, the Authority will issue a contract. However, if the State Treasurer determines that any contribution or action by a Business Entity poses a conflict of interest in the awarding of the contract or agreement at issue, the State Treasurer shall disqualify the Business Entity from award of such contract.

Once approved by the State Treasurer, a Business Entity's Political Contributions Certification is valid for a two (2) year period from the date of approval. If, prior to the award of a contract, the State Treasurer confirms to the Authority that the intended awardee has an approved Certification that will remain valid for the term of the contract, the Authority may waive the requirement that the awardee complete an additional Certification and Disclosure of Political Contributions form.

Any Business Entity entering into a contract with the Authority is required, on a continuing basis, to report to the Authority any contributions it makes during the term of the contract, and any extension(s) thereof, at the time any such contribution is made. Such reports shall be subject to review by the Authority and the State Treasurer. If the State Treasurer determines that any such contribution poses a conflict of interest, such contribution shall be deemed a material breach of the contract or agreement at issue.

“State agency” means any of the principal departments in the Executive branch of the State Government, and any division, board, bureau, office, commission or other instrumentality within or created by such department, and, to the extent consistent with law, any interstate agency to which New Jersey is a party and any independent State authority, commission, instrumentality or agency. A county or municipality shall not be deemed an agency or instrumentality of the State.

"State officer or employee" means any person, other than a special State officer or employee (1) holding an office or employment in a State agency, excluding an interstate agency, other than a member of the Legislature or (2) appointed as a New Jersey member to an interstate agency.

“Supplier” means any person that is providing or is seeking to provide or may reasonably be expected to provide goods and/or services to the State officer or employee’s or special State officer or employee’s agency, including, but not limited to, consultants, Firms and lessors.

“Unclassified office or position” means any office or position in the unclassified service of the civil service of the Executive branch of State government.

II. GENERAL STANDARDS OF CONDUCT

It is essential that the conduct of public officials and employees shall hold the respect and confidence of the people. Public officials must, therefore, avoid conduct that is in violation of their public trust or that creates a justifiable impression among the public that such trust is being violated. Accordingly, State officers and employees and special State officers and employees shall conform their conduct to the following standards.

1. No State officer or employee or special State officer or employee should have any interest, financial or otherwise, direct or indirect, or engage in any business or transaction or professional activity, which is in substantial conflict with the proper discharge of his/her duties in the public interest.
2. No State officer or employee or special State officer or employee should engage in any particular business, profession, trade or occupation which is subject to licensing or regulation by a specific agency of State Government without promptly filing notice of such activity with the Commission.
3. No State officer or employee or special State officer or employee should act in his/her official capacity in any matter wherein he/she has a direct or indirect personal financial interest that might reasonably be expected to impair his/her objectivity or independence of judgment.
4. No State officer or employee or special State officer or employee should knowingly act in any way that might reasonably be expected to create an impression or suspicion among the public having knowledge of his/her acts that he/she may be engaged in conduct violative of his trust as a State officer or employee or special State officer or employee.

Misuse of Official Position or Information

5. No State officer or employee or special State officer or employee should use or attempt to use his/her official position to secure unwarranted privileges or advantage for him/herself or others.

6. No State officer or employee or special State officer or employee, shall willfully disclose to any person, whether or not for pecuniary gain, any information not generally available to members of the public which he/she receives or acquires in the course of and by reason of his/her official duties. No State officer or employee or special State officer or employee shall use for the purpose of pecuniary gain, whether directly or indirectly, any information not generally available to members of the public which he/she receives or acquires in the course of and by reason of his/her official duties. Representation/Appearance before a State Agency.

7. No State officer or employee, nor any partnership, firm or corporation in which he/she has an interest, nor any partner, officer or employee of any such partnership, firm or corporation, shall represent, appear for, or negotiate on behalf of, or agree to represent, appear for, or negotiate on behalf of, any person or party other than the State in connection with any cause, proceeding, application or other matter pending before any State agency. Nothing contained herein shall be deemed to prohibit any such partnership, firm or corporation from appearing on its own behalf.

8. No special State officer or employee, nor any partnership, firm or corporation in which he/she has an interest, nor any partner, officer or employee of any such partnership, firm or corporation, shall represent, appear for, or negotiate on behalf of, or agree to represent, appear for or negotiate on behalf of, any person or party other than the State in connection with any cause, proceeding, application or other matter pending before the particular office, bureau, board, council, commission, authority, agency, fund or system in which such special State officer or employee holds office or employment.

Nothing contained in this section shall be deemed to prohibit any State officer or employee or special State officer or employee from representing, appearing for or negotiating on behalf of, or agreeing to represent, appear for, or negotiate on behalf of, any person or party other than the State in connection with any proceeding:

- i. Pending before any court of record of this State,

- ix. Before any State agency on behalf of a county, municipality or school district, or any authority, agency or commission of any thereof except where the State is an adverse party in the proceeding and provided he is not holding any office or employment in the State agency in which any such proceeding is pending.

III. ACCEPTANCE OF GIFTS

No State officer or employee or special State officer or employee shall accept any gift, favor, service or other thing of value related in any way to the State official's public duties.

Upon the recommendation of the Special Counsel for Ethics Review and Compliance, the Commission has adopted a zero tolerance policy for acceptance of gifts. (See *Report of the Special Ethics Counsel to the Governor of the State of New Jersey*, dated March 14, 2005.) Accordingly, any gift that is offered to or received by a State officer or employee or special State officer or employee or, his/her spouse, immediate family member, partner or associate shall be immediately reported to the agency's Ethics

Liaison Officer (“ELO”). Unless the State officer or employee or special State officer or employee is permitted to receive the gift or thing of value in accordance with the Commission’s rules on attendance at events (see section IV), no State officer or employee or special State officer or employee or, his/her spouse, immediate family member, partner or associate shall accept, either directly or indirectly, any gift, favor, service or other thing of value related in any way to the State official’s public duties.

The exceptions to the zero tolerance rules for acceptance of gifts are set forth below.

- a. Unsolicited gifts or benefits of trivial or nominal value, such as complimentary articles offered to the public in general, and gifts received as a result of mass advertising mailings to the general business public may be retained by the recipient or the recipient's department for general use if such use does not create an impression of a conflict of interest or a violation of the public trust. The receipt of such complimentary articles is not required to be reported to the ELO.
- b. A State officer or employee or special State officer or employee may receive a gift, favor, service or other thing of value from a Firm under the same terms and conditions as are offered or made available to members of the general public.
- c. A State employee is permitted to give or receive a gift from a co-worker, a supervisor or a subordinate. The gift should not be excessive or inappropriate for a business environment. Such gift shall not be reported to the ELO.
- d. In accordance with *N.J.S.A. 52:13D-24*, gift provisions do not apply to the acceptance of contributions to the campaign of an announced candidate for elective public office.

The procedures for reporting receipt of a gift are set forth in Appendix A.

IV. ATTENDANCE AT EVENTS

Attendance at an event that is sponsored or co-sponsored by an entity other than the State must be approved by the agency’s ELO.

A State employee must complete the form identified as “Request For Approval For Attendance At Event,” prior to attendance.

A State employee shall not attend an event in his or her official capacity unless a legitimate State purpose will be served.

Costs associated with attendance at an event shall be paid or reimbursed in accordance with *N.J.S.A. 52:13D-24* and *N.J.A.C. 19:61-6.1* et seq.

A State employee is prohibited from accepting honoraria in connection with his/her attendance or participation at an event. *N.J.S.A. 52:13D-24*.

A State employee is prohibited from accepting entertainment, or reimbursement for entertainment, that is collateral to an event, such as a golf outing, tickets to a sporting event or a meal taken other than in a group setting with all attendees present.

The Commission’s rules on attendance at an event and the form that must be completed prior to attendance at an event are set forth in Appendix B.

V. POLITICAL ACTIVITY

Upon giving notice to the agency ELO, a State employee may be involved in political activities unless:

1. the State employee is prohibited from such activities by State or federal statute or agency rule; or

2. the political activity conflicts with the employee's official duties.

Pursuant to *N.J.S.A. 52:13D-14* and *N.J.S.A. 52:13D-24*, a State employee may accept a contribution to the campaign of an announced candidate for elective public office provided the contribution is not known to be given in lieu of a payment that is prohibited by the Conflicts Law. Further, a State employee is subject to the Department of Personnel's Administrative Code provisions governing political activity, *N.J.A.C. 4A:10-1.2*. Note that a State employee is not permitted to serve as a campaign treasurer on any campaign that is subject to the jurisdiction of the Election Law Enforcement Commission.

The Commission's Guidelines on Political Activities and the provisions of *N.J.A.C. 4A:10-1.2* are set forth in Appendix C.

VI. OUTSIDE ACTIVITIES AND BUSINESS INTERESTS

No State officer or employee or special State officer or employee should undertake any employment or service, whether compensated or not, which might reasonably be expected to impair his/her objectivity and independence of judgment in the exercise of his/her official duties.

A State officer or employee's participation in any service, activity or employment that is outside his/her official State duties may be prohibited by the Conflicts Law, other State or Federal law or regulation, or the code of ethics adopted by the employee's agency. Accordingly, a State officer or employee shall obtain the approval of the ELO prior to engaging in any of the following outside activities.

- a. Commencement of any business, trade, profession or other compensated employment, including the acceptance of Wage for a speech or published work;
- b. Uncompensated or volunteer work for or with any entity; or
- c. Holding office or title in the governing or advisory board of any entity.

Notwithstanding the requirement to disclose outside employment and activities, a State agency may exempt disclosure of specific kinds of outside employment or activities if the agency is satisfied that such activity or employment does not present a conflict of interest.

A State officer or employee is not permitted to hold employment with, hold an interest in, or represent, appear for, or negotiate on behalf of a holder of or applicant for a casino license unless the Commission grants a waiver. A waiver is granted in circumstances where it is determined by the Commission that such casino activity will not interfere with the responsibilities of the State officer or employee and will not create a conflict of interest or the appearance of such conflict. A special State officer or employee is prohibited from holding an interest in or representing, appearing for or negotiating on behalf of a holder of or applicant for a casino license, or any holding or intermediary company with respect thereto, in connection with any matter. However, a special State officer or employee without responsibility for matters affecting casino activity may hold employment with a casino license holder or applicant and, if so employed, may hold an interest in or represent, appear for or negotiate on behalf of his/her casino employer. *N.J.S.A. 52:13D-17.2(b)*

All State officers and employees shall complete the Outside Activity Questionnaire attached to this document as Appendix D, in accordance with the procedures adopted by his/her agency. These procedures shall, at a minimum, require that each current employee complete the questionnaire and that each new employee complete the questionnaire upon commencement of employment with the agency. The procedures shall also require that a State officer or employee amend his/her Outside Activity Questionnaire whenever there is a change in the employee's outside activity or State employment. A State agency shall require disclosure of additional information regarding the outside activities of its employees as necessary to address the particular needs and problems of the agency.

The agency ELO shall review all outside activity questionnaires and determine whether the outside activity is permissible in accordance with the Conflicts Law, the Uniform Ethics Code, the agency code of ethics or any other authority. A State officer or employee may appeal an agency ELO's decision to

disapprove an outside activity. Such appeal shall be submitted in writing to the Commission within 60 days of the employee's receipt of the agency's decision. The appeal shall cite the relevant section(s) of the Conflicts Law, Uniform Ethics Code, agency code of ethics or other authority which supports the position of the employee that such outside activity should be permitted.

Each State agency shall develop a Conflict of Interest questionnaire for special State officers and employees of that agency. Each State agency shall develop a process for the review and retention of both Outside Activity Questionnaires and Conflict of Interest Questionnaires.

The Commission's Guidelines Governing Outside Activities are set forth in Appendix E.

Blind Trusts

A blind trust may be used by a State officer or employee, a special State officer or employee, his/her spouse or domestic partner or dependent children to avoid conflicts situations caused by financial interests. The trust must conform to the standards set forth in the Blind Trust Guidelines, Appendix F.

VII. OFFICIAL STATIONERY

Official stationery shall be used only in connection with the State agency's official business. The limitations on use of official stationery also apply to personal stationery paid for by an officer or employee if it is imprinted with the agency office or the title of the State officer or employee.

A State officer or employee or special State officer may not use official stationery to promote a candidate for elective office, endorse a State Firm or contractor, express a personal opinion on a matter that is not related to his/her official duties, or to promote his/her financial or other self-interest.

Exceptions: A State officer or employee or special State officer or employee may use official stationery to write a letter of recommendation for, or respond to an inquiry about, a current or former colleague or employee. These permissible uses are only acceptable so long as the use of official stationery does not create an impression that the State officer or employee is engaged in an unwarranted use of his/her position. For example, it would not be appropriate for a State employee to recommend an individual for inclusion in a program over which the State employee has supervisory or regulatory authority. In addition, there must be a reasonable connection between the officer's or employee's official duties and the use and purpose of the letter.

A State agency may not use official stationery to solicit a contribution from any interested party. Solicitation of any other entity must be reviewed and approved by the agency's ELO.

The Commission's Guidelines with respect to the use of official stationery are set forth in Appendix G.

VIII. POST-EMPLOYMENT RESTRICTIONS

Seeking Future Employment

State officers or employees who have direct and substantial contact with any interested parties must refrain from circulating resumes or in any manner seeking employment with those individuals or entities while still in State service. If an employee is solicited for potential employment by an entity with which he/she has direct and substantial contact, that solicitation must be disclosed immediately to the employee's management and to the agency's ELO. Employees who do not have direct and substantial contact with interested parties may circulate resumes and enter into discussions regarding potential employment with those individuals or entities so long as they avoid any situations that may give rise to an unwarranted advantage. All employees are cautioned that discussions, interviews, and negotiations shall not take place on State time.

Solicitation or discussion of employment with regulated entities, or their representatives, that have a specific cause, proceeding, application or other matter pending before the employee's agency is not permitted. There may be circumstances when solicitation or discussion of employment with respect to regulated entities, or their representatives, could be approved if no specific cause, proceeding, application or other matter is pending before the agency. These situations must be reviewed on a case-by-case basis before the employee proceeds with any job-seeking activities.

Lifetime Ban

At no time subsequent to the termination of his/her office or employment in any State agency may a former State officer or employee or special State officer or employee represent, appear for, negotiate on behalf of, or provide information or services not generally available to members of the public, or agree to perform any of those activities, for any party other than the State in connection with a specific cause, proceeding, application or matter with which the State officer or employee or special State officer or employee had been substantially and directly involved at any time during the course of his/her office or employment. *N.J.S.A. 52:13D-17*. This lifetime ban applies not only to the State officer or employee or special State officer or employee personally, but also to the partnership, firm or corporation under the following circumstances: (1) if the former State officer or employee or special State officer or employee is a shareholder, associate or professional employee of a firm organized as a professional service corporation or (2) if the former State officer or employee or special State officer or employee owns or controls more than 10% of the stock of a corporation or more than 10% of the profits or assets of a firm, association or partnership.

One-Year Ban – Certain State Officials

In accordance with the recommendation of the Special Counsel for Ethics Review and Compliance, a one-year ban on the activities described in this section shall apply to any head, deputy head or assistant head of any principal department, board, commission or authority, the Superintendent of State Police, the Governor's Chief of Staff, Chief of Management and Operations, Chief of Policy and Communications, Chief Counsel, Director of Communications, Policy Counselor, and any deputy or principal administrative assistant to any of the aforementioned members of the staff of the Office of the Governor. For one year after the termination of the State office or employment of any of the individuals noted above, he/she shall not represent, appear for, or negotiate on behalf of, or agree to represent, appear for, or negotiate on behalf of any person or party other than the State with or before any officer or employee of the State agency in which he/she served. The provisions of this subsection shall not apply to any partnership, firm or corporation in which he/she has an interest or is employed, or to any partner, officer, director or employee of such partnership, firm or corporation. Nothing contained in this section shall prohibit a State agency from contracting with a former State officer or employee to act on behalf of the State. In addition, the governor and each head of a principal department in the Executive branch are prohibited, for one year after the termination of office or employment, from registering as a "governmental affairs agent," as that term is defined in *N.J.S.A. 52:13C-20*. *N.J.S.A. 52:13C-21.4*.

Two-Year Casino Employment Restriction

N.J.S.A. 52:13D-17.2 sets forth post-employment restrictions applicable to State officers or employees subject to financial disclosure by law or executive order, and State officers or employees or special State officers or employees with responsibility for matters affecting casino activities.

Such persons are prohibited from holding, directly or indirectly, an interest in, or holding employment with, a casino licensee or applicant for a casino license for a period of two years following the termination of their State employment. In addition, such persons may not represent, appear for, or negotiate on behalf of a casino. This prohibition applies to any business entity in which the person holds an interest or is otherwise associated, including the officers or employees of such business entity. This prohibition applies to the person's immediate family members unless granted a waiver by the Commission. See Section XIV, below. *N.J.S.A. 52:13D-17.2(c)*.

Waivers

In accordance with *N.J.S.A. 52:13D-17.2*, the Commission may grant an exception from the above casino employment restrictions for a person's immediate family member or an employee who was terminated as a result of a reduction in force, (provided that the employee did not hold a policy-making management position during the five years prior to termination of employment) whenever it determines that such waiver will not create a conflict of interest or the appearance of a conflict of interest:

The Commission's Guidelines with respect to Post-Employment Restrictions are set forth in Appendix H.

IX. RECUSAL ON OFFICIAL MATTERS

A State officer or employee or special State officer or employee is required to recuse him/herself on an official matter that involves any private sector individual, association, corporation or other entity that employed or did business with the State officer or employee or special State officer or employee during the one year prior to the employee's commencement of State service.

A State officer or employee or special State officer or employee is required to recuse him/herself on an official matter if he/she had any involvement in that matter, other than on behalf of the State, prior to commencement of his/her State service.

A State officer or employee or special State officer or employee is required to recuse him/herself on an official matter if he/she has a financial or personal interest that is incompatible with the proper discharge of his/her public duties.

An incompatible personal or financial interest includes, but is not limited to, outside employment; a debtor/creditor relationship; a fiduciary relationship; a source of income; any matter pertaining to or involving a relative or cohabitant; a relationship with a person providing funds, goods or services without Wage; any matter pertaining to or involving a business associate or business investment; and a leadership role in a professional or trade organization, which interest might reasonably be expected to impair a State official's objectivity and independence of judgment in the exercise of his/her official duties or might reasonably be expected to create an impression or suspicion among the public having knowledge of his or her acts that he/she may be engaged in conduct violative of his/her trust as a State official.

Upon determining that a State official shall recuse him/herself on any matter, the State official shall execute the recusal in writing, and shall have no involvement with the subject matter of the recusal. If a State official cannot determine whether he/she should execute a letter of recusal in any matter, the State official shall contact his/her agency ELO or the Commission for guidance. A State official shall seek the advice of the State agency's counsel, agency ELO or the Commission as to the propriety of participation in a matter if any person requests that a State official recuse him/herself from that matter. Oral advice, followed up by a writing, shall be provided by the agency's counsel, the agency ELO or the Commission to avoid delay. Oral advice shall subsequently be memorialized by a writing or by inclusion in public minutes.

The Commission's regulations governing recusal, *N.J.A.C. 19:61-7.1 et seq.*, which include the required elements for a written recusal, are set forth in Appendix I.

X. CONTRACTS

With few exceptions, a State employee may not enter into a contractual agreement with the State.

An agency head, deputy head or assistant head is prohibited from engaging in any private business transactions with any employee in his/her agency.

Limitation on contracting by State officer or employee

Pursuant to *N.J.S.A. 52:13D-19*, no State officer or employee shall knowingly undertake or execute, in whole or in part, any contract, agreement, sale or purchase of the value of \$25.00 or more, made, entered into, awarded or granted by any State agency. The exceptions to this prohibition are set forth below. As used in this section, State officer or employee also includes his or her partners, any other person for the use or benefit of the State employee or on his or her account or any corporation which he/she controls or in which he/she owns or controls more than 1% of the stock.

Limitation on contracting by special State officer or employee

Pursuant to *N.J.S.A. 52:13D-19*, no special State officer or employee who has duties or responsibilities in connection with the purchase or acquisition of property or services by the State agency where he/she is employed or an officer shall knowingly undertake or execute, in whole or in part, any contract, agreement, sale or purchase of the value of \$25.00 or more, made, entered into, awarded or granted by that State agency. The exceptions to this prohibition are set forth below. As used in this paragraph, special State officer or employee also includes his/her partners, any other person for the use or benefit of the special State employee or on his/her account or any corporation which he/she controls or in which he/she owns or controls more than 1% of the stock.

The restrictions contained above shall apply to the contracts of interstate agencies to the extent consistent with law only if the contract, agreement, sale or purchase is undertaken or executed by a New Jersey member to that agency or by his/her partners or a corporation in which he/she owns or controls more than 1% of the stock.

Permissible Contracts with the State

(1) With the prior approval of the Commission, a State officer or employee or special State officer or employee is permitted to enter into the following:

(a) purchases, contracts, agreements or sales which are made or let after public notice and competitive bidding or which, in accordance with public bidding laws or regulations applicable to other State agencies, may be made, negotiated or awarded without public advertising for bids, or

(b) any contract of insurance entered into by the Director of the Division of Purchase and Property pursuant to *N.J.S.A. 52:27B-62*.

(2) A State officer or employee or a special State officer or employee or his partners or any corporation or firm in which he/she owns or controls more than 1% of the stock, assets or profits may enter into a contract or agreement with a State agency where the contract or agreement is for the development of scientific or technological discoveries or innovations in which the State agency has a property right, if the State agency has a procedure in its code of ethics for authorizing these contracts or agreements that minimizes actual conflicts of interest, and the code of ethics was approved in accordance with *N.J.S.A. 52:13D-23*, and the contract or agreement complies with that code procedure.

(3) A State officer or employee or a special State officer or employee or his/her partners or any corporation or firm in which he/she owns or controls more than 1% of the stock, assets or profits may enter into a rental agreement with a State agency which operates a facility which rents space or provides services to assist small businesses which employ 50 people or less, pursuant to the same terms and conditions as those offered to members of the public generally.

Please note that the Commission has never approved a request by a State officer or employee, or special State officer or employee, to enter into a contract with his/her own agency.

The Commission's Guidelines on Privatization, set forth in Appendix J, are applicable to a State employee's participation in an open competitive bid process for the privatization of services currently being provided by his/her agency.

XI. RETIREMENT GIFTS

A gift can be given to a State employee upon his/her retirement from State service. There are specific limits to the value of a permissible retirement gift. A State employee shall refer to Appendix K for the provisions governing retirement gifts.

XII. WAGE FOR PUBLISHED WORKS

A State officer or employee or special State officer or employee may not solicit, receive, or agree to receive, Wage from sources other than the State for published work(s) created as part of his/her official duties on State time and/or using State resources.

However, a State officer or employee or special State officer or employee, other than a "designated State officer," (the Governor, cabinet-level officers and other principal administrative officers of the State) may, in connection with any service, advice, assistance, appearance, speech or other matter related to his/her official duties, receive or agree to receive, whether directly or indirectly, from sources other than the State, reasonable fees for published works on matters within his/her official duties not created on State time and/or using State resources.

In addition, a State officer or employee or special State officer or employee may accept Wage from sources other than the State for published work(s) on matters unrelated to his/her official duties created on his/her own time and with non-State resources.

Before agreeing to accept or accepting any Wage from a source other than the State for any published work, a State officer or employee or special State officer or employee must secure his/her State agency's approval to do so.

In determining whether to grant such approval, the State agency shall consider, among other things, whether the Wage is offered by an interested party, and whether the published work uses or discloses information not generally available to the public. The determination shall be consistent with applicable law and agency policy.

No State officer or employee or special State officer or employee may use his/her official title in soliciting Wage for a published work.

The Commission's Guidelines with respect to Published Works are set forth in Appendix L.

XIII. FAMILY MEMBERS - CONFLICTS OF INTEREST

- a. No relative of the Governor may be employed in any unclassified office or position within the State.
- b. No relative of a commissioner or department head may be employed in any unclassified office or position within the department over which the department head exercises authority.
- c. A relative of an assistant or deputy department head may be employed in an unclassified office or position within the department in which the assistant or deputy serves, provided that he/she is not assigned to a position over which the assistant or deputy department head exercises authority.
- d. A relative of a head or assistant head of a division within a department may be employed in an unclassified office or position within the department in which the division head or assistant division

head serves, provided that he/she is not assigned to a position over which the assistant or deputy department head exercises authority.

- e. A relative of an appointed member of a governing or advisory body of an independent authority, board, commission, agency or instrumentality of the State may not be employed in any office or position in that entity.
- f. A relative of an appointed New Jersey member of a governing body of a bi-state or multi-state agency may not be employed in an office or position in that bi-state or multi-state agency, unless otherwise permitted by law.
- g. No State officer or employee or special State officer or employee may supervise his/her relative, or exercise any authority with regard to personnel actions involving his/her relative
- h. Each State agency shall require State officers and employees and special State officers and employees to disclose information sufficient for the agency to determine whether the employment of any individual within the agency is prohibited.

Cohabitation

The Commission has determined that the prohibition regarding personnel actions and the supervision of family members, set forth in paragraph 7 above, is applicable to non-related individuals who share the same household with the same financial interdependence that the Commission views as creating a conflict in spousal situations.

Dating Relationship

In the case of individuals involved in dating relationships, the Commission has found violations of the Conflicts Law in situations where the State employee had official involvement in a matter affecting the individual with whom he/she had a dating relationship. Accordingly, a State officer or employee or special State officer or employee shall not have any involvement in his/her official capacity in any matter that pertains to or involves an individual with whom he/she has a dating relationship.

The Commission's guidelines with respect to "Official Interactions with Family Members/Cohabitants and Dating Relationships" is attached hereto as Exhibit M.

XIV. CASINO-RELATED FAMILY MEMBER RESTRICTIONS

Concurrent Employment Restriction

An immediate family member of a State officer or employee, or of any "person," as defined at *N.J.S.A. 52:13D-17.2(a)*, may not hold directly or indirectly, an interest in, hold employment with, or represent, appear for, or negotiate on behalf of a holder of, or applicant for, a casino license, or any holding or intermediate company with respect thereto.

However, an immediate family member of a State officer or employee or "person" may be employed by a casino in circumstances where it is determined by the Commission that such employment will not interfere with the responsibilities of the State officer or employee or "person" and will not create a conflict of interest or the appearance of such conflict. *N.J.S.A. 52:13D-17.2(b)*.

Post-Employment Restriction

An immediate family member of a "person," as defined at *N.J.S.A. 52:13D-17.2(a)*, may not hold, directly or indirectly, an interest in, hold employment with, or represent, appear for, or negotiate on behalf of, any holder of, or applicant for, a casino license in connection with any phase of casino development permitting, licensure, or any other matter related to casino activity, for a period of two years following the

termination of the office or employment of such person. However, an immediate family member of a “person” may be employed by a casino in circumstances where it is determined by the Commission that such employment will not interfere with the responsibilities of the “person” and will not create a conflict of interest or the appearance of such conflict. *N.J.S.A. 52:13D-17.2(c)(1)*.

Casino post-employment restrictions that apply to State officials defined as “persons” are noted in section VIII.

XV. REPORTING COMPLAINTS

Allegations that a State officer or employee or special State officer or employee has violated a provision of this Uniform Code, the Conflicts Law, the Commission’s rules, an agency code of ethics or any other standard within the jurisdiction of the Commission should be reported to the appropriate agency ELO or the Commission staff. Allegations should contain as much detailed information as possible and, if the complainant chooses to identify him/herself, should include contact information so that the ELO or Commission staff can obtain additional information if necessary. A complainant is not required to disclose his/her identity when reporting an alleged ethics violation.

XVI. PENALTIES

The Commission is empowered to impose the following penalties in accordance with specific provisions of the Conflicts Law. Note that violations committed by a former State officer or employee or special State officer or employee may be subject to penalties so long as the Commission’s investigation of same was initiated not later than two years following termination of service.

1. *N.J.S.A. 52:13D-17* provides that any person who willfully violates the general post-employment restrictions set forth in that provision is a disorderly person, and shall be subject to a fine not to exceed \$1,000 or imprisonment not to exceed six months, or both.
